

On the night of January 8th 2007 the night Annette packed away I saw two women go into Annette's house at 141 Howe St. and then they come out carrying what looked like (a bunch of papers and small articles) I have no idea what they took. This continued for a few weeks.

I was very angry and upset to think that at a time like this people were here removing things from the house, when Annette had just passed away.

On at least two occasions Annette and I talked about her property and she would say "don't worry everything is taken care of" and that Gene (her son) would be taken care of but she would not let him take care of things, she had to protect him financially.

The property at 141 Howe St. has gone to high grass about 2 feet tall, the hedges in front are just growing wild.

Annette was always having someone come in and do the yard and hedges.

I write this letter in the memory of Annette. And I will swear under oath if need be that everything I wrote is the truth.
