To whom it may concern

April, 13, 2007

On April 3rd Pamela Constanzo knocked on my back door at 158 Howe St. Which I rent 1st floor. She asked about my rent for April and also about my electric bill which is in Annette Vilneau's name. I mentioned the repairs that she never did since January 07. In January she promised me they would be taken care of the next day. (wall in bathroom, cabinet in kitchen, & floor in pantry) She said she be back the next day. She returned 2 days later to pick up checks. I gave her 2 bank checks, One for April's rent in the name of "Estate of Annette Vilneau" And second one I put the electric company's name Onstar. Asked once again about my repairs and she told me she could'nt do any work till all legal matters were settled. In January Pamela Constanzo gave me letter stating Eugene Vilneau was to receive my rent checks & Pamela was to be called for all other matters. Then Attorney Richard J. Gabriel gave me paperwork March 3rd telling me he is temporary Executor of the Estate of Annette Vilneau's now I have Pamela Constanzo knocking on my door for rent & electric bill.

Sincerely,

Marge McCabe
